USER MANUAL

1. LOGIN TO THE REGISTRATION PANEL

1.1.1 URL:

1.1.2 http://logisticsgms.com

DESCRIPTION
Click on the above link to access Website. The Homepage appears. To register as a member, as shown in Fig 1.1, Click on the link Registration/Sign In.

On clicking the above link, the registration page appears. There are two options in the page: Already Registered and New User. Please provide the details including your valid e-mail id which has not previously been registered. Click on Submit Now after giving the information. This is shown in Fig 1.2.
After you click on submit now, a link will be send to the spam folder of your e-mail. Open the spam folder and click on Activate Now.

Fig 1.3

After you click on the activation link, you will be directed to the Company Database.
2. COMPANY DATABASE

Basic Information
In the Company Database, you have to fill the basic information of your company and any additional information.

Please fill up all the information in the boxes. The boxes that are marked with the red asterisk – ‘*’ are mandatory fields. If you do not fill the mandatory fields, your form will not be submitted. Please remember to fill all the fields that are marked as mandatory.
Other Branch Offices

If your company has other branch offices, click on the box next to the field Add More Branch Contacts. This is given below in Fig 1.5

Fig 1.5
After filling the information, click on the option Next page below to go to the Next page. (Fig 1.6)
**Additional Information**

In the next page, you are required to fill the additional information of the company. The fields that are marked with the asterisk ‘*’ are mandatory. (Fig 1.7)

After filling all the information, click on the option Submit Now to submit your form as shown in Fig 1.8
After you submit your form, a page appears with the message that your company profile has been published. (Fig 1.9)
3. LOGIN

Once your company has been successfully registered, you can log in to see your company data. To log in, click on the log in option as given in Fig 1.9. You will be redirected to the registration panel again. Give your registered e-mail and password under the ‘Already Registered’ panel and click on Sign In. (Fig 1.10)

After successful login, the Dashboard will appear.

4. DASHBOARD

The Dashboard contains the complete Profile of the Company and the Services offered. You can also Add/Manage your Company events here or view any Business Interaction. In case you want to edit the company profile, the Dashboard allows you to do the same. (Fig 1.11)
Greater Mekong Sub-region (GMS)
Logistics Business Database
